“The Upward Trail News”

January, 2012

Happy New Year!

Our last communications was our annual Christmas letter written in November. Since that time we have spent lots of time with family. A week in Branson, MO with 15 of our immediate family, and 5 days over Christmas weekend with Lauren’s mom and brother and family in IL. We spent several days in the mountains skiing with our son and family from TN and got to spend time with our CO son and family to bring in the new year.

Dec. 2-3 – MTM Teacher/Leader Training in Woodland Park CO.

This was an exciting weekend for us and the fulfillment of a vision to multiply and expand our ministry. 18 couples from all over the US have accepted the call to join with us in teaching Mountain Top Marriage concepts! 10 of those 18 couples came to Colorado for a training weekend. Each couple will teach their own MTM weekend seminar in their community and then pick one couple from their group to sponsor to come to our annual Rocky Mountain Retreat

in May. Many prophetic words were spoken over these couples and four were specifically called out to minister overseas sometime in the future. Each couple was taught to chart their personal marriage testimony and they all gave them to the entire group. It was a wonderful time of fellowship and sharing and we are excited with what God is doing in MTM.
