

Mountain Top Marriages “The Upward Trail”

Newsletter – May 2013

When he [the devil] speaketh a lie, he speaketh of his own: for he is a liar, and the father of it. - John 8:44

There are many lies going around today. Lies about what the Word really says, lies that we believe about our mates and relationships, lies that deceive us. That is why it is so important to stay reading, meditating, and pray-reading the Bible. It is absolute truth and we can put our hope, faith and trust in it. The Bible says that the Holy Spirit is the "spirit of truth". Jesus says, "I am the Way, the Truth, and the Life". Keep your eyes focused on the Word! It will bring you victory for every situation.

Ready for Spring & Summer?

Today is May 1st and we got 3" of snow in Colorado Springs! But, it is just one of the usual "spring" snows that does not stay long! We are glad to be home for awhile!

We spent most of April traveling. We were in KS, MO, IL, TN, FL, and all the states between driving back to CO. We came home by the southern route - so we have had some lovely warm days. The trip was a combination of visiting family, ministry and a few days of R&R in Panama Beach, Florida - overlooking the ocean.

Chattanooga, TN - April 19-20 - We ministered a seminar at **Hamilton Life Church**. We stayed with Art & Lynda Rousseau (they used to live in Woodland Park, CO). The church has a new pastor. We have had the joy of ministering at this church several years in a row and really enjoyed seeing familiar faces as well as some new young couples.

Green Mountain Falls, CO - April 27 - The marriage & family pastors Tim & Meg Britton invited us to teach at **Joyland Church** for a one day seminar. We actually team-taught with them and their assistant leaders. It was a really fun day beginning with the men's fellowship group providing us with a huge delicious breakfast. The meetings were entitled "Two Become One". We taught about what it means to become one-flesh in all three areas of spirit, soul and body. The other couples talked about what it means to have a "covenant" marriage, the importance of forgiveness, prayer, and using the Holy Spirit "gifts" in your relationship. We also taught on the importance of knowing who you are in Christ and identifying lies that come against the knowledge of the Word.

**Mountain Top Marriage Colorado
Advisory Board Meeting May 4, 2013**

MTM is actually submitted to a CO advisory board made up of 5 couples as well as our original KS board made up of 6 couples. So, 12 couples, (including us) are responsible for decisions and ideas for our ministry. We are blessed to have such great support. Of the 12 couples, five of them are pastors.

**May 17 & 18 - Woodland Park, CO -
Sanctuary Lodge Retreat**

The lodge on Andrew Wommack's property has been unavailable to us the past few months because of construction of his new Bible College on his property. But, we were able to secure a weekend in May. The lodge bedrooms are full, but there is still room for overflow couples to come for the teaching. If you are interested, call Rose at 719-649-7373.

**Annual Rocky Mountain Retreat - May
27-31st in Estes Park, CO.**

As most of you know, this is our favorite retreat that we teach. Besides Estes Park being one of the most beautiful places on earth, this retreat always results in wonderful miracles and great testimonies from all the couples that attend. If you have never been able to experience it - make plans to do so! Jeff & Darlene Lyon will once again be doing the special music. The deadline for registration is today, but we could "possibly" squeeze in one more couple. So, call. There is even still scholarship money available - if finances are a hindrance.

We go inside RMNP for some teachings

We are still working on our "summer" itinerary. There are many options and lots of activities from which to choose.

The Ozark Mountain Retreat in Branson, MO will begin Aug. 30- Sept. 2nd this year and we are presently taking reservations for it. Call: 719-471-9072 or e-mail us! It fills up fast.
